

BAXTER AND JEFFREY

By Ariane and Todd Erickson
Illustrated by Gabriel San Martin

Jeffrey is a young boy who wants to become a knight, all by himself.
Baxter is a young dragon who just wants to help him.

Will Jeffrey welcome Baxter's help and friendship?
Will they both learn what it takes to become a knight?

Will the castle's stained glass window ever look the same again?!

From Kirkus Reviews: "An unlikely pair build a kind, helpful friendship in a well-illustrated tale."
